By launching, a competitor confirms that their boat is fit for those conditions and they are competent to sail and compete in them. Nothing done by the organisers can reduce the responsibility of the competitors nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event and include the organizing authority, the race committee, the race officer, patrol boats and beach masters. The provision of patrol boats does not relieve competitors of their responsibilities.

6.1 Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £2,000,000 per event.
